identification in the name of William Gilday, Room 324, Young Men's Christian Association, Huntington Avenue, Boston, Massachusetts. In the course of my official investigation I have determined that William Gilday, subject of Complaint No. 8315 for murder in the Brighton District Court, has resided at the above-described Boston, Mass. Y.M.C.A. address during the period immediately prior to September 23, 1970. I was also informed on September 24, 1970 by Detective [redacted] Massachusetts State Police, that a search of the American Airlines terminal area, Logan International airport, Boston, Massachusetts, on September 24, 1970, disclosed two canvas money bags marked "State Street Bank and Trust Company" and a purple-colored dress abandoned in the trash receptacles. As a result of my investigation of the robbery of the State Street Bank and Trust Company on September 23, 1970, I learned that money was taken from the bank in canvas bags and that [redacted] one of the participants in the robbery, was described as wearing a purple dress during the course of the robbery.

I, [redacted] Special Agent, Federal Bureau of Investigation, being duly sworn, depose and say:

That on September 24, 1970 I was informed by Robert Joseph Valeri, a prisoner at the Suffolk County Jail, Boston, Massachusetts, that he had participated in a robbery of the State Street Bank and Trust Company, 300 Western Avenue, Brighton, Massachusetts, which robbery took place on September 23, 1970 at 9:45 a.m. approximately. Mr. Valeri further informed me that participating in this robbery with him were William Morrill Gilday, Jr., Stanley Bond, [redacted] and [redacted] Mr. Valeri informed me that during the robbery he was present in the bank, standing by the front door, carrying a sawed-off shotgun and guarding that area. On September 24, 1970 I observed developed photographs taken from a sequence camera in the bank in operation during the robbery. Among these photographs is a photograph which I recognize to be a photograph of Robert Joseph Valeri standing in the vicinity of the front door of the above-described bank, holding a sawed-off shotgun. Mr. Valeri further told me that the above-described participants in the bank robbery with him had planned to travel outside the State of Massachusetts and most likely to the San Francisco area.

b6
b7C

On September 24, 1970 I was informed by Deputy Superintendent [redacted] of the Boston Police Department that on September 24, 1970 separate complaints numbered 8315, 8316, 8325 and 8326 were issued in the Brighton District Court, each charging the crime of murder against William Morrill Gilday, Jr., Stanley Bond, [redacted] and [redacted] respectively; that Superintendent [redacted] further informed me that the crime charged in each of these complaints was the killing of Boston police patrolman Walter Schroeder, who died of a gunshot wound inflicted during the commission of the above-described robbery of the State Street Bank and Trust Company, 300 Western Avenue, Brighton, Massachusetts, on September 23, 1970. Superintendent [redacted] further informed me that as a result of the above-described complaints, warrants were issued on September 24, 1970 for the arrest of William Morrill Gilday, Jr., Stanley Bond, [redacted] and [redacted] and that said warrants were given to the Boston Police Department for service on the named defendants.

b6
b7C

Superintendent [redacted] further informed me that in the course of his official duties, he and other members of the Boston Police Department acting under his supervision have attempted to locate the above-described defendants who were resident in Massachusetts prior to September 23, 1970; that all efforts to locate said defendants have been fruitless; that said defendants have been searched for at their last known addresses, among their acquaintances, and at their usual haunts, all with negative results, and that said warrants of arrest are still outstanding and unexecuted.

b6
b7C

That I and other members of the Federal Bureau of Investigation have actively looked for the above-described defendants at their last-known residences in the Commonwealth of Massachusetts both on September 23, 1970 and on September 24, 1970 without success.

That on September 24, 1970 at approximately 2:30 a.m. I received information from the New Hampshire State Police that a person corresponding to the physical description of William Gilday and carrying a gun and exhibiting a large roll of money had fled a restaurant location in Hampton, New Hampshire, leaving behind

VALERI ADVISED THAT HE IS PART OF A GROUP IN BOSTON WHICH CONSISTS OF HIMSELF AND FIVE OTHER INDIVIDUALS, FOUR OF WHOM WERE INVOLVED WITH HIM IN A BANK ROBBERY ON THE PREVIOUS DAY. THE PRINCIPLE AIMS OF THIS GROUP ARE TO BREAK DOWN THE MILITARY STRUCTURE IN THIS COUNTRY AND ALSO TO ATTACK THE POLICE POWERS. THE GROUP HAS NO OFFICIAL NAME OR OFFICIAL MEMBERSHIP LISTS. THEY DO NOT HAVE A HEADQUARTERS NOR AN OFFICIAL ORGAN. NEITHER IS THIS GROUP ASSOCIATED WITH ANY WELL KNOWN ESTABLISHED NEW LEFT GROUP EXISTING IN THIS COUNTRY TODAY. THE GROUP CHOSE TO ROB BANKS TO FINANCE THEIR GOALS AND HAD INTENTIONS OF DONATING MONEY TO THE BLACK PANTHER PARTY (BPP) IN THE FUTURE BECAUSE THE AIMS AND GOALS OF THE BPP ARE SIMILAR IN NATURE TO THEIR OWN. OTHER THAN INDIVIDUALS MENTIONED AS TAKING PART IN THE BANK ROBBERY, VALERI NAMED [REDACTED] (PH) AS BEING ASSOCIATED WITH HIS GROUP AND AS ALSO BEING ASSOCIATED WITH THE NATIONAL STRIKE INFORMATION CENTER (NSIC) AT BRANDEIS. THE GROUP IS NOT INVOLVED IN THE USE OF NARCOTICS WITH THE EXCEPTION OF OCCASIONALLY SMOKING MARIJUANA.

THIS LOOSELY KNIT GROUP HAS ASSOCIATES THROUGHOUT THE COUNTRY, HOWEVER, NAMES AND PLACES ARE UNKNOWN.

AFTER THE BANK ROBBERY OF SEPTEMBER TWENTY THREE, LAST, THE GROUP INTENDED TO LEAVE FOR SAN FRANCISCO WHICH WOULD BECOME THEIR HOME BASE FOR THE FURTHERING OF VIOLENT ACTS SINCE THE "HEAT WAS ON" ON THE EAST COAST.

VALERI FURNISHED INFORMATION RELATIVE TO A BANK ROBBERY IN CHICAGO IN WHICH HE TOOK PART, THIS HAVING TAKEN PLACE SOME TIME DURING THE END OF AUGUST, NINETEEN SEVENTY, ON CENTRAL STREET IN EVANSTON, ILLINOIS. HE WAS ACCOMPANIED BY BOND, BOTH OF WHOM ENTERED THE BANK DURING THE LATE MORNING HOURS. VALERI CARRIED AN ITHACA

AFTER LEAVING THE BANK THEY DROVE TO A HOLIDAY INN WHERE BOND AND [REDACTED] WERE REGISTERED AS HUSBAND AND WIFE, NAME UNKNOWN. ALL OF THAT MONEY HAS BEEN SPENT BY THE ORGANIZATION, ON PERSONAL USE.

VALERI ADVISED THAT SOMETIME BETWEEN AUGUST THIRTY AND SEPTEMBER TWELVE, NINETEEN SEVENTY, [REDACTED] BOND, AND [REDACTED] WERE INVOLVED IN A BANK ROBBERY IN LOS ANGELES CALIFORNIA, WHEREIN BOND WENT INTO THE BANK BY HIMSELF ARMED AND [REDACTED] REMAINED OUTSIDE WITH A MOLOTOV COCKTAIL. IT WAS DURING THE WEEK WHEREIN POLICE OFFICERS WERE
VICTIMS OF SNIPER ATTACKS IN PHILADELPHIA. VALERI

the following information: telephone [redacted] furnished

He is a teller at the Drive-Up window at the State Street Bank and Trust Company, Western Avenue, and Everett Street, Brighton, Massachusetts. This window faces the rear parking lot of said bank.

On the morning of September 23, 1970, he returned to the Drive-Up window from a break and shortly thereafter heard an explosion, which he subsequently determined had been a shot. He turned to face into the bank and saw a man standing near the literature rack and in front of the wall clock above the tellers' cages holding a gun, a shoulder-type weapon, possibly a short rifle.

This individual was described as:

Sex: Male

Race: White

Age: Mid 20s

Height: 6 feet

Weight: 180 - 190 pounds

Build: Stocky

Face: Full and sun-tanned

Clothing: Dark blue jacket and blue stocking cap, wearing light green sunglasses

Peculiarities: Strong commanding voice with no particular accent.

The above described individual was only visible from

State Street Bank & Trust Co.,
Western Avenue and Everett

This individual then moved to a position in front of the cage occupied by bank teller [redacted] and was heard to mention money and something to the effect he would give him ten seconds to open his vault. This individual then began to count, and told [redacted] to put the money in a bag.

Very soon thereafter, a second white male who could only be described as a bit taller than the first bandit, and about the same build, was heard to order everyone to get down. He complied with these instructions by dropping to the floor of his cage.

The bandits were not observed to leave the bank. Subsequently, he heard some shots and observed plaster falling from the walls. He observed a whitish color car parked on the north side of Western Avenue, facing in a westerly direction, and located west of Everett Street, just beyond the traffic light. A white male with out glasses was observed inside this car, looking over at the bank holding what appeared to be a gun pointed out the car window.

FEDERAL BUREAU OF INVESTIGATION

Date 9/25/70

Special Agent [redacted] Federal Bureau of Investigation, on September 23, 1970, found what appeared to be one (1) .45 caliber bullet in the residence of Mr. [redacted]

This residence is located directly behind the State Street Bank and Trust Company, 300 Western Avenue, Brighton, Massachusetts, and its northerly side faces the rear of the bank and Western Avenue.

The bullet was located lying on the third step of a flight of stairs leading to the attic from the rear bedroom located on the north east corner of the second floor of the above house. Directly above the bullet was a four inch furrow in the wall. On a line from this furrow was a hole through the exterior north wall of the house.

From the outside, this particular hole was located horizontally approximately midway between the two upper windows on that side of the house, and vertically, about half the height of the windows.

This bullet was marked with "RS" scratched in the lead at the base.

Officer Shot in Holdup Dies; Suspect Held, Four Sought

Boston Patrolman Walter A. Schroeder, who was shot while attempting to prevent the robbery of a Brighton bank yesterday, died in St. Elizabeth's Hospital at 10:13 this morning.

Schroeder, father of nine and a 19-year-veteran of the department, died a little more than 24 hours after he was shot.

The decorated police veteran had been cut down from behind by one of three men and two women who were robbing the Brighton branch of the State Street Bank & Trust Co.

The bitter irony of Schroeder's tragic death is that two years ago he sin-

glehandedly cornered three gunmen who had successfully robbed the same bank and had escaped with \$43,000.

Boston police have in custody a 21-year-old Northeastern University student. The suspect was picked up last night when he arrived at his residence on Grandview street.

Police are seeking a 26-year-old Cambridge man who is reported to be a student at Brandeis University in Waltham, and a 42-year-old former Amesbury man.

Police have also issued descriptions of the two women being sought in the robbery and murder.

The former Amesbury

man was subject of an intensive search in Hampton Beach, N.H., which was scouted off while police conducted a door-to-door search.

The suspect was identified last night as a former Amesbury man who created a disturbance in Kennedy's Restaurant and Motor Inn on North Beach blvd., Hampton Beach.

Witnesses in the restaurant said the man appeared to be either drunk or under the influence of drugs and he appeared to be carrying a gun in his waistband.

He flashed a huge wad of money, estimated at \$300 to \$600 and bought two rounds of drinks for every one.

St. Elizabeth's hospital where surgery was performed for four hours.

Doctors kept the officer alive through the night with the use of more than 70 pints of blood.

Police, meanwhile, had fanned out from the bank and recovered the getaway car, bearing Ontario registration plates, two blocks from the scene.

In the car, two .45 caliber casings were found which matched eight others found at the scene. Witnesses reported to police that the three men and the woman got into another car being driven by a blonde female.

This car bore New Jersey registration plates.

Investigators managed to obtain pictures of the trio from the bank cameras which had been tripped automatically when the alarm was sounded.

A waitress finally summoned help from police and they intercepted the man as he entered an auto in the parking lot. They took the keys to his car and told him "to take a walk and sober up."

Meanwhile, New Hampshire authorities received word that the man was being sought by Boston police in connection with the bank holdup.

When police returned to the scene, the man had disappeared.

The holdup occurred shortly after 9:30 a.m. yesterday when a gun-toting woman and two male accomplices entered the bank and fired a few rounds to intimidate customers and employees.

Patrolman Schroeder and his partner, Frank Callahan, were the first officers to arrive at the scene. The robbers were fleeing the bank from one exit while the two patrolmen headed for a second entrance.

Callahan said he turned a corner and, hearing shots, was entering the bank when he noticed that Schroeder had not followed. He returned to the parking lot and found Schroeder on the ground.

Bank employees said the trio began firing back into the bank while they were leaving and continued to fire automatic weapons as they headed for a getaway car in the lot.

A third man had been waiting in a stolen car and was covering the escape of his accomplices when the two patrolmen arrived and headed for the bank entrance.

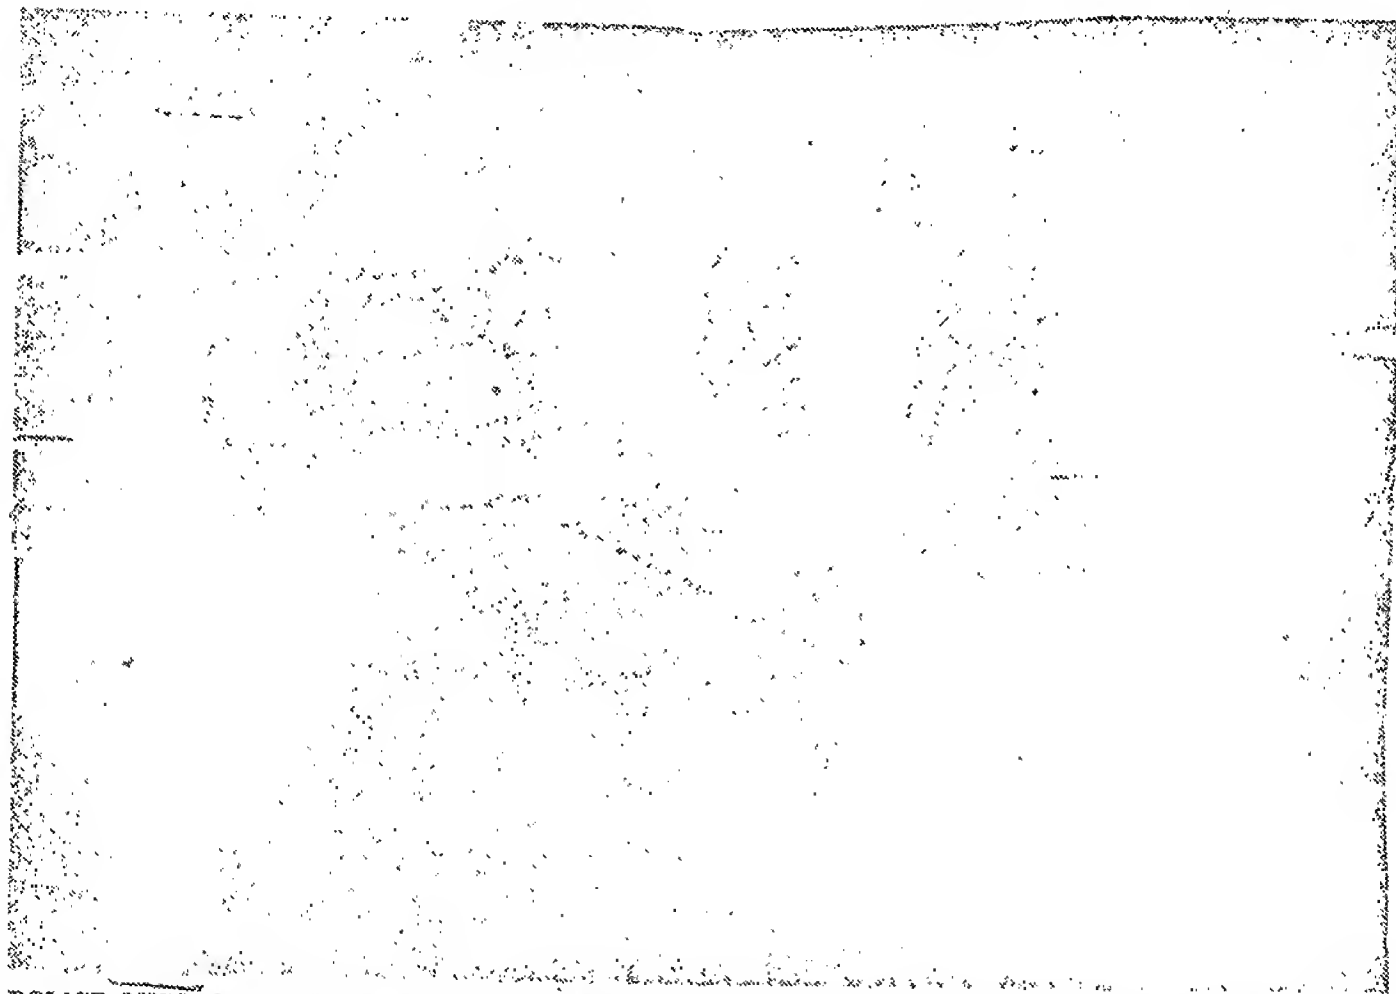

The getaway driver fired a .45-caliber automatic machine gun and caught Schroeder in the back. Police estimate that the shot that felled Schroeder was fired from a distance of 65 feet.

The bullet severed Schroeder's aorta, and emerged from his abdomen. Schroeder ~~was~~ rushed to

One of the robbers wore no disguise, another wore sunglasses and the third's features were obscured by a stocking mask.

Schroeder, 42, of Fidelis way, Brighton, was a recipient of the Walter Scott Medal of Valor, the department's highest award, for his capture of three bank robbers in 1968.

He also was honored for saving the life of a small child with mouth-to-mouth resuscitation. Schroeder served 13 years in District 10 before being reassigned to District 14 in Brighton.

Susan in Oregon, Mother Insists

The mother of a 21-year-old woman named in a murder warrant for the death of Boston Policeman Walter Schroeder claimed last night that her daughter was a victim of mistaken identity.

Mrs. Elliot Saxe of 333 South Maining Blvd., Albany, N.Y., said in a telephone interview that her daughter, Miss Susan E. Saxe, has been in Portland, Ore., "since the first of September."

"Susan lost her driver's license and she also lost her Blue Cross card," Mrs. Saxe said. "We went to the registry of motor vehicles around the 20th of August to have it reinstated. Our daughter is in Portland, Ore., and has been since the first of September."

Mrs. Saxe said that Susan graduated magna cum laude from Brandeis University last June. Last summer she worked at the Summer Institute at Brandeis, her mother said.

MRS. SAXE SAID that she did not know where the driver's license was lost, but that Susan had spent time last summer both in the Waltham area and on Cape Cod. She said that her license and the Blue Cross card were never recovered by Susan.

The young woman has been working in a book store in Portland at a job she acquired through Prof. Neil Freedman of Brandeis University, Mrs. Saxe said.

"He knows that she is

there," Mrs. Saxe said. "You can verify it with him. He met her at the airport in Portland and took her to his mother's house."

Before going to Portland, Susan had thought about going to graduate school but had decided against it.

Mrs. Saxe said that she had talked to Susan in Portland "last Wednesday" and had received a letter from her recently.

"THEY (THE POLICE) have nothing to connect Susan (to the crime) except that they apparently found Susan's driver's license in somebody's apartment," Mrs. Saxe said.

"I'm terribly upset that a crime was committed and that persons are involved," Mrs. Saxe continued. "But they have no connection with Susan. She's in Portland, Ore. She has an address there. I am trying to contact my daughter. When I do I will tell police. The Albany police are satisfied it is a case of mistaken identity."

"If anything derogatory is written about Susan that is not true, we will take the proper steps," Mrs. Saxe said.

At 9:30 p.m. last night, police in Portland, Ore., received a notice to be on the lookout for Miss Katherine A. Power, a Brandeis University senior, of Denver, Colo., who was named with Miss Saxe on the murder warrant. Police there, however, had no further information on the case.

CC: Release

He Wore a Badge of Courage

To civilized, law-abiding citizens, policemen are brave servants of the public who stand on the front line of our defense against crime. The badge they wear, as the most visible guardian of our social order, is a badge of courage.

Every day, they put their own lives on the line to protect the lives and property of the rest of us. Yesterday, Patrolman Walter Schroeder lost the battle for his own life, which he had put on the line 24 hours earlier in responding to a bank hold-up alarm in Brighton. He was shot in the back by bandits fleeing from the same bank, where, ironically, two years ago he single-handedly captured three armed robbers in a courageous act which won him one of four special citations for bravery during his 19 years on the force.

It's a wonder that other innocent people weren't killed in the Brighton bank heist Thursday, a Bonnie and Clyde raid in which the bandits escaped firing a hail of bullets — ten of which pierced the wall of a house on the other side of the bank's parking lot.

And it's a wonder, perhaps, that the number of policemen killed in the line of duty, like Walter Schroeder, isn't higher than it is — given the growing anarchy and lawlessness of our time, and the open call to "kill the pigs" made by the Black Panthers and other revolutionary groups.

The statistics, of course, are frightening enough as it is: 86 policemen murdered in the line of duty in this country last year—a rate far higher than the average of 53 killed annually during the past decade.

The number of unprovoked attacks on policemen, including bombings, snipings and ambushes, has been rising sharply. And according to recent FBI statistics, assaults of all kinds are being made against law enforcement officers at a rate of 41 every day—or nearly 15,000 per year.

Considering the increased danger of their occupation and the disrespect and hostility they receive from some quarters, it takes more dedication and courage than ever to become a policeman nowadays or to remain on the force.

We owe a great deal of thanks to those who exhibit that kind of courage and dedication, for without the civil peace they are fighting to preserve, all other government or orderly processes would cease to function.

To Patrolman Walter Schroeder we owe a special debt. Our readers can help us pay that debt by contributing to a fund which the Herald Traveler has established for the benefit of his family.
